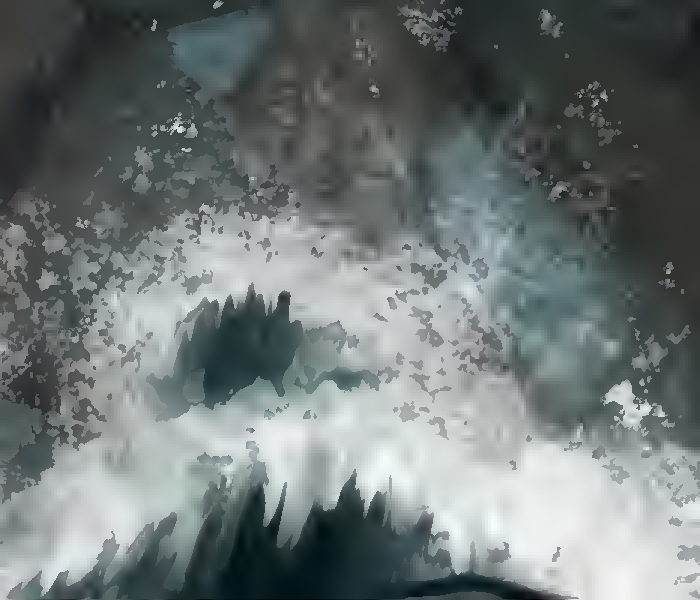
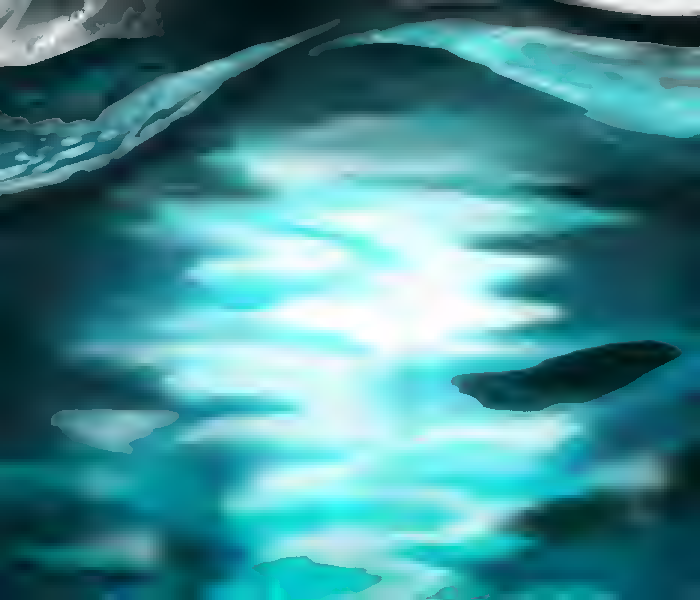
Please have your sound on for this chapter

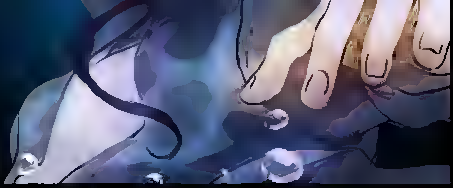




THE END BEGINS HERE.

SALT WATER FILLING MY LUNGS,
THE ICE-COLD TEMPERATURE PIERCING MY SKIN.

EVERY INCH OF MY BODY, PARALYZED...

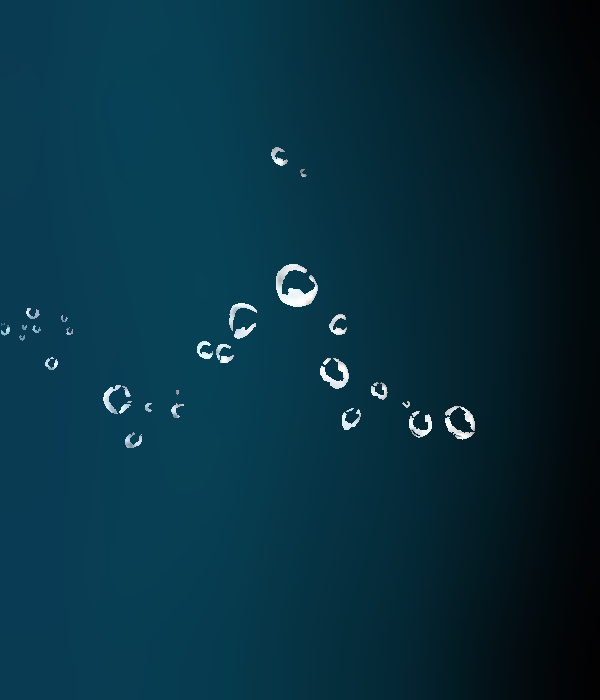


WHILE ALL TRACES OF LIGHT VANISH AS I SINK LOWER AND LOWER....

ONE BY ONE, EACH OF MY SENSES BEGIN TO FADE OUT.
SOUND, FEELING, VISION...

LEAVING ME WITH THE MIXTURE OF INTENSE FEAR
AND HELPLESSNESS THAT HAS TAKEN ROOT IN MY STOMACH...

AND THEN UNEXPECTEDLY...

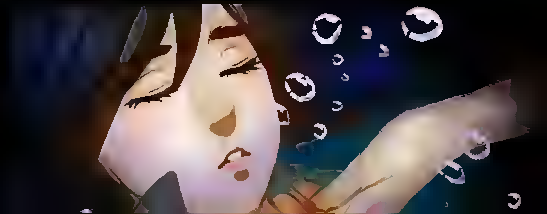


I HEAR A SONG.

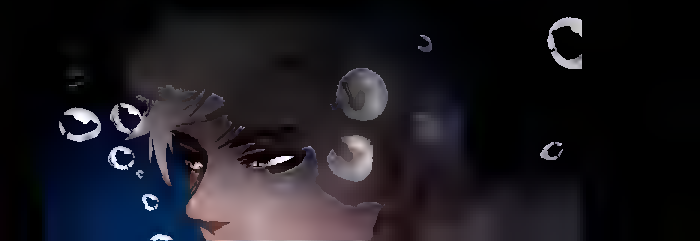
"O broken hearted one,
your soul has grown weary

Have you turned to the rippling tides
to engulf your lonely tears?

May the waves embrace you,
Lull you softly to sleep...



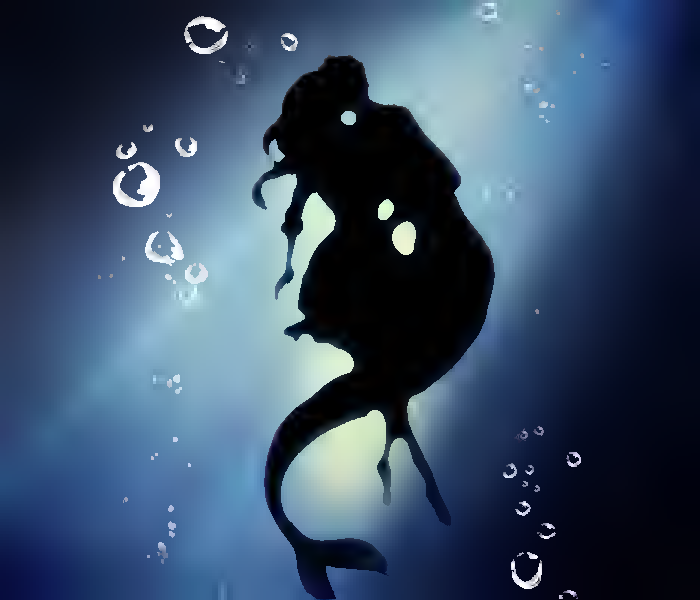
Ease away all the hurt and pain
That you've carried through the years



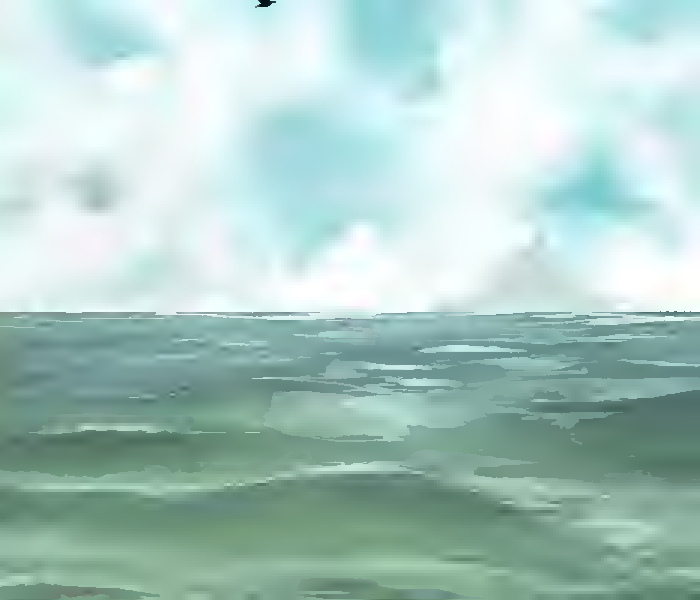
But if given the chance,
Would you forget the past?

You and I can start all over

We can love again, my dear."



IF ONLY LIFE HAD A REWIND SETTING.



I THINK EVERYONE WISHES THAT AT LEAST ONCE IN THEIR LIFETIME.
